Physical Exam for Entering School for the First Time

(2) The school health services program shall include but not be limited to the following:

(a) Each local school system shall have a written policy providing for a physical examination of every child entering school for the first time. A doctor of medicine, osteopathic physician, physician assistant, certified nurse practitioner, or a properly trained public health nurse shall perform this examination. No child shall be admitted to school without proof of immunization except those who are exempt by statute as provided in T.C.A. 49-6-5001.
